

**Indian School Sohar**  
**Class VI-VIII**

Dear Parents,

We are all going through an unprecedented situation impacting the whole world. Health and well-being of our students, parents and staff is of utmost importance at this time of the hour. We urge you to kindly follow all the instructions and protective measures advised by the Government of Oman.

You always have been encouraging and supporting learning activities at school and home. Here we are with few guidelines for parents to keep students busy, entertained and also be connected to learning.

❖ **Few Guidelines:**

1. A timetable and worksheets for learning activities is being provided. Kindly follow it.
2. Students should sit properly while watching educational videos or completing their work.
3. Parents must supervise /monitor the work and progress of their wards.

**4. Online resources which can be accessed by the students are:**

- a. Khan Academy
- b. mycbseguide.com
- c. Mindspark(free for now)
- d. Diksha
- e. Byju's(app is also free)

**5. In addition the following link is also useful for students.**

<https://classroommagazines.scholastic.com/support/learnathome.html>

- ❖ We also request you to take this time in developing capacities required to build life skills and take learning beyond classrooms. You can assign them small jobs like arranging their cupboards, doing laundry, laying table , doing up their rooms , folding clothes, learning to cook etc.

**Stay calm, stay positive**
