

INDIAN SCHOOL SOHAR
SESSION: 2017-'18
PARENT ORIENTATION PROGRAMME
STD. IX

Dear Parents,

The POP is the key to promoting an educational climate that is conducive to learning. It helps to maintain a healthy rapport between parents and teachers by providing an occasion to vocalize their hopes, concerns and problems and finding apt solutions, which caters to the successful completion of the education of a child. In order to provide proper guidance to the children, it is necessary that every parent be in touch with the curriculum, evaluation and the activities. Please refer to the CBSE website at www.cbse.nic.in for the latest updates, and the school website at www.indianschoolsohar.com for all the circulars issued by the school and other updates. Together we can make a difference!
