Holistic Progress Card (HPC)

➢ **What is Holistic Progress Card (HPC)?**

- **The Holistic Progress Card (HPC)** is an important initiative introduced by the CBSE under the National Education Policy (NEP 2020).

- **The HPC** helps track a child's progress in many areas, giving parents, teachers, and students a clearer picture of their strengths and areas for improvement.
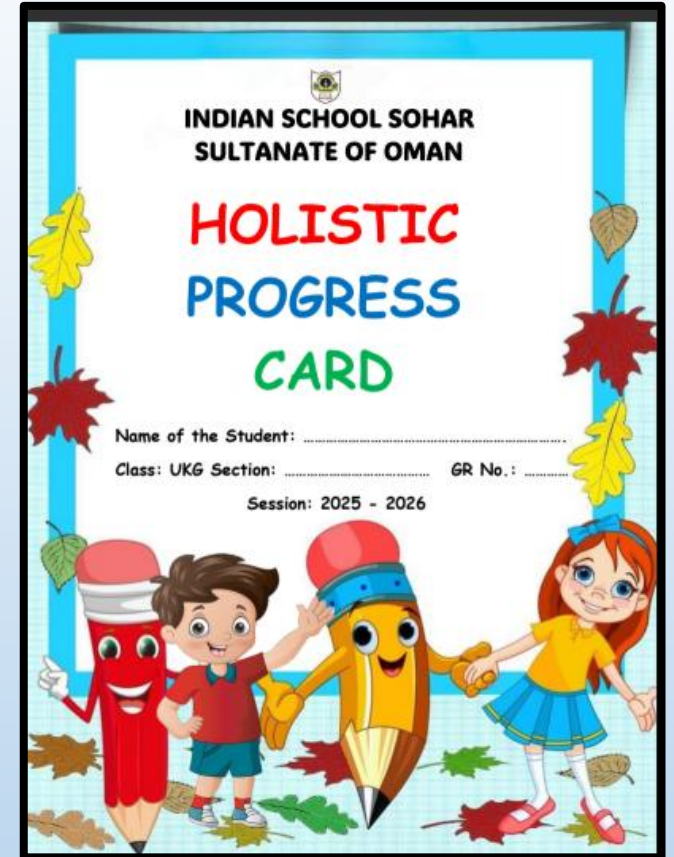

Holistic Progress Card (HPC)

Aims of HPC

- **To assess students in a more complete way, looking at not just their academic performance but also their overall growth.**

- **It focuses on both academic and non-academic skills, such as creativity, critical thinking, emotional development, and social skills.**

- **This approach helps students to grow in a balanced manner, preparing them for life beyond school.**

Features of Holistic Progress Card (HPC)

- **It is participatory** (to take part actively in activities, discussions, etc.)
- **It is inclusive** (most effective way to give all children a fair chance to go to school)
- **It is based on learner centric approach.**
- **It includes-**
- ✓ **learner's profile by the teacher**
- ✓ **parent's feedback**
