WINTER HOLIDAY HOME ASSIGNMENT

Holidays are an integral part of a student's life. It's a time for fun, a time to explore, a time to learn in different ways and cherish good times with family members and friends.

Here are a few ways to engage yourself in a fruitful way during holidays.

- * Converse in English with your friends and family members.
- * Read books with the help of your parents. Listen to lots of stories.
- * Restrict screen time to only one hour every day.

- * Learn to greet your elders politely by saying "Good Morning" or "Good Afternoon" instead of saying "Hi", and always say "Thank you" when someone gives you something or helps you.
- * Practise these greetings daily at home with your family!

ASSIGNMENT

LKG	* Learn to write your name.
UKG	* Learn to write your own name in cursive.

** School will reopen on 4th January 2026.*
