✨ My Super Fun Summer Adventure! Class- I 2026-27 ✨

Hello, Little Explorers and Dear Parents! 🙌

Summer holidays are finally here! It's time for high-fives, big smiles, and fantastic new discoveries.

Let's power up our summer break with these special daily missions!

Section 1: My Daily Missions & Superpowers

Morning Magic

- **Big Smiles:** Hug and greet your elders with love and respect every morning! ❤️

Magic Words & Clean Habits

- **4 Super Words:** Use your powers: Please, Thank You, Sorry, and Excuse Me! 🗣️
- **Sparkle Clean:** Brush your teeth twice a day, wash away germs, and tidy your toys! 🪥 🧸

Stay Active

- **Move & Groove:** Play outdoor cricket, ride your bicycle, or swim to stay super strong! 🏏 🚲 🏊
- **Unplug Fun:** Put away TVs & mobile phones. Try an exciting hobby class instead! 🚫 📱

Little Helper & Planet Hero

- **Super Helper:** Help with watering the plants, dusting the toys, setting the tables, or making the bed! 🧹
- **Planet Hero:** Turn off lights and taps when you are not using them to save energy! 💡 💧

Section 2: Bookworm & Brain Power

- **Storybook Magic:** Read an exciting, moral-based colourful storybook every single day! Keep those imagination wings flying high! 
- **Word Collector:** Hunt down and learn 3 brand new words every day to build a giant vocabulary! 
- **Brain Workout:** Keep your concepts fresh! Revise all your exciting classroom lessons to keep your mind bright and active. 

Section 3: My Magical Seed-to-Plant Mission!

Watching a tiny seed wake up and grow into a plant is like real magic! Let's become little green-thumb gardeners: 

1. **Cozy Home:** Fill a small container with healthy soil or spread cozy, wet cotton layers inside. 
2. **Tuck in:** Gently tuck in your magic mustard seeds, green gram, or chickpeas. 
3. **Drink Up:** Give them a tiny drink of water daily and closely watch their amazing growth burst out! 
4. **Say Cheese!** Take bright, happy photos on the 1st, 3rd, 5th, and 7th day of your plant's journey. 

Show & Tell: Make a beautiful photo collage and upload it to your English / Mathematics / EVS Google Classroom. 

 **MISSION DEADLINE: Submit your collage on or before August 2026!**

Section 4: "Best Out of Waste" Challenge!

Unleash creativity and transform everyday waste into something wonderful! ✂️

Reusable Household Materials

- Cardboard & Cartons
- Plastic bottles & bottle caps
- Old newspapers & straws
- Other reusable items

This Activity Aims To Foster:

- Creativity & Innovation
- Problem-solving skills
- Environmental awareness
- Repurposing waste meaningfully

Exhibition Selection: The most creative, innovative, and neatly crafted projects will be selected for display at our upcoming School Exhibition! Parents are highly encouraged to support and motivate their child in creating an original, well-presented project. 🏆

 **Submission Date: Will be shared right after the school reopens!**

Section 5: Sweet Family Moments

- **Family Bonding:** Cozy up with your family to look at beautiful old photo albums or share happy childhood stories together! 📷❤️

Growing, learning, and laughing together! Have a wonderful summer! ✨🌈

 Enjoy your holidays and come refreshed on Tuesday, 28th July 2026! 🕶️🌴
