

INDIAN SCHOOL SOHAR
SUMMER HOLIDAY HOMEWORK
SESSION: 2026-2027
CLASS- III

“The holiday season is a perfect time to reflect on blessings and take steps to make life better for those around us.”

Dear Students,

The Summer Break is scheduled from 12th June to 28th July 2026. The most awaited summer vacation brings easy mornings, relaxing afternoons and playful evenings. It also brings a good time to plunge into the sea of imagination and creativity. So, spend these holidays creatively with fun, frolic and enjoyment. Here are the guidelines to be followed during the holidays.

General Homework:

- Revise the portions covered in all the subjects for the Term Exam.
- Minimize the screen time and observe at least one day a week as a **NO-SCREEN DAY**.
- Eat healthy food, drink enough water and play outdoor games to keep yourself physically active and fit.
- Engage in mathematical puzzles and mind games to improve your memory and thinking skills.
- Listen to your favourite music for relaxation or learn to play any musical instrument.
- Organise your room, help with household chores and be a source of help and support to your parents.
- Date of submission of Holiday HW: 9th August 2026 (Sunday)

Holiday Homework:

English

The Character Scrapbook 📖

Encourage your child to read two age-appropriate storybooks. Have them design a scrapbook page for their favorite character:

- **Draw & Color:** Create a picture of the character.
- **Fact File:** Write down their name, what they like to eat, and whether they are brave, kind, or tricky.
- **The Moral:** In 3–4 sentences, write what they learned from the story.

Hindi

“दिनचर्या” (Daily Routine) Comic Strip

- **The Task:** Encourage students to draw 4 sequential pictures on an A4 sheet showing their daily routine (e.g., waking up, eating breakfast, playing, studying).
- **The Hindi Goal:** Below each block, have them write one simple Hindi sentence describing the action, such as "मैं सुबह उठता/उठती हूँ" (I wake up in the morning).

Math

Make the models of the following topics

Section A & B: Geometric Art on canvas

Section C & D: Tangram Art on canvas

Section E & F: Measurements in real life

Section G & H: Multiplication Tables

EVS

My "Zero-Waste" Picnic (With Cooking!)

Connect the environment to daily meals by exploring where our food comes from.

- **The Task:** Let your child help prepare a simple, fireless cooking (like a fruit salad or a vegetable sandwich) alongside an adult.
- **The Creative Element:** Have them investigate the origin of one ingredient (e.g., "Where do apples come from?") and on A4 paper draw a colorful mind map showing the journey of their food from the farm to their plate.

General Knowledge

Read three newspaper headlines daily and keep yourself updated with current affairs.

Art & Craft

Create a beautiful flower vase using your creativity and decorate it with colours, patterns, or recycled materials to make it unique.
