JOY OF GIVING

Dear Parents and Students,

"Together We Care, Together We Share."

We are pleased to inform you that **SAMARPAN CLUB**, the Community Service Club of ISS, is organizing a **Food Donation Drive** during the holy month of Ramadan, with the aim of instilling the values of charity and compassion in our children and helping them experience the true joy of giving. The donated food items will be collected at the school and distributed to the needy by the Samarpan Club volunteers. Parents and students are kindly requested to participate enthusiastically and donate generously, so that together we can reach out to more people and extend a helping hand to those in need.

Your motivation, cooperation, and support will be highly appreciated.

NOTE: Individuals can choose one or more items from the list of non-perishable items for donation. Kindly donate sealed packages (500gm/ 1kg / 2kg).
